

YMCA OF SNOHOMISH COUNTY FINANCIAL ASSISTANCE APPLICATION

Your application will be processed as soon as the YMCA receives all necessary documentation of income. **Please include last year's federal income tax return (form 1040) and, if applicable, current month's pay stubs for all household members.** If you did not file a 1040 in the last year, please provide us with a form 4506 to verify that you were not required to file taxes. If you would like help filling out this application, please ask our YMCA Membership Service Staff. Incomplete forms will be returned.

Turn this completed form and documentation into the administration office at the YMCA branch where you are applying.

Membership & Program Financial Assistance

The YMCA of Snohomish County makes every effort to ensure that no person, especially youth, will be denied access to programs because of financial hardship. Our Financial Assistance Program is supported by contributions to our annual Invest in Youth campaign and United Way.

What is YMCA financial assistance?

YMCA financial assistance provides for the needs of youth, families, and individuals who cannot afford the full cost of YMCA memberships and programs. The YMCA is committed to being accessible to all, and we work hard to support those who may be in challenging financial situations.

How is the amount of financial assistance determined?

We use a sliding fee scale based on total household income and the number of household members. We require supporting documentation to verify household size and income, and we consider special circumstances when providing assistance.

What does the YMCA consider "Income"?

We ask that applicants list all types of income, including: Wages, Tips, Retirement, Social Security (SS), Supplemental Security Income (SSI), Disability, Unemployment, Temporary Assistance for Needy Families (TANF), Child Support, Housing Assistance, Utility Assistance, and Food Stamps. Please remember to count the income of anyone living in your household and contributing to household expenses such as rent, utilities, or groceries.

How long does my financial assistance last?

- For *child care participants*, financial assistance is granted through the next calendar August 31st.
- For applicants on a *fixed income*, including those receiving Social Security Income or Disability, financial assistance is granted for up to two years from the award date.
- For *all other applicants*, financial assistance is granted for up to one calendar year from the award date.

How long does it take to begin receiving financial assistance?

After we receive your completed application and proper documentation, we process your application and mail you an award letter within ten (10) business days. The letter will include information on your financial assistance award for YMCA membership and programs and how to begin receiving the reduced rates.

How is confidential information handled?

Only YMCA staff will see your application. Applications are kept confidential and are not used for any other purpose than to assess program needs.

How do I apply?

- Complete and sign the Financial Assistance Application on the reverse side.
- Gather all proper documentation with your Application. **Your Financial Assistance Application cannot be processed without supporting documentation. Submitting an incomplete application will delay your award.**
- Submit your Financial Assistance Application to the local YMCA Branch you will be using.
