# YOU CAN BELONG TO A GREAT COMMUNITY

The Y is a cause-driven organization that is for youth development, healthy living, and social responsibility. That's because a strong community can only be achieved when we invest in our kids, our health, and our neighbors.

Whether you join the Y to become more active, trim your waistline, gain strength, or enjoy healthy activities with your family, you'll find a friendly, encouraging community of members just like you who want to see you achieve your goals.

We value and embrace the diversity of all people in our community, regardless of faith, age, income, background, and ability. Our programs are designed to enhance the quality of your life and are geared to develop character values.

### YOUR HEALTH IS OUR PRIORITY

Our trained and helpful staff are ready to listen and respond to your individual needs to support your journey to healthy living. We know that getting started (or starting over) can be a big hurdle and we offer help where you need it most, to make the path ahead as easy as possible. We celebrate small and large changes that you have prioritized. And we are excited to help you get started, today.

### JOINING IS EASY

The YMCA of Snohomish County is a membership organization that anyone may join. With a monthly payment option there are no long-term contracts or minimum stays to worry about and no high pressure sales tactics with which to be concerned. All you get, is quality healthy programming that can be enjoyed by the whole family and customized to meet individual needs.
