BECOME A Y COMMUNITY PARTNER

MUCH MORE THAN A GYM

At the Y, we exist to strengthen the foundations of community.

- Because we believe that all kids deserve the opportunity to discover who they are and what they can achieve, the Y is for youth development.
- Because we inspire and equip people of all ages to pursue well-being, the Y is for healthy living.
- Because we offer financial assistance and mobilize volunteers to support our neighbors in need, the Y is for social responsibility.

We value and embrace the diversity of all people in our community, regardless of faith, age, income, background and ability. Our programs are designed to enhance the quality of life and are geared to develop character values.

YMCA COMMUNITY PARTNER PROGRAM

Partner with one of the community's oldest and most respected nonprofit charitable organizations.

Y Community Partners show their support for youth development, healthy living, and social responsibility by opening their doors to Y members and offering some type of added value at their business.

Businesses may determine what value they would like to offer. This can include discounts, sales, or giveaways with purchases.

VALUE TO YOUR BUSINESS

As a YMCA Community Partner, your business will:

- Receive added exposure with the listing of your business name on our Y Community Partner web page.
- Receive a Y Community Partner decal for display in your business window. Display of this decal shows your support and commitment to our community.

To sign up or discuss the YMCA Community Partner program in more detail, contact the Membership Director at your local YMCA family branch.
