DONATE FOR A BETTER US

Every day, the Y supports kids, adults, seniors, and families with programs that protect, teach, connect, heal, nourish, and encourage. Everything we do helps empower communities and the “us” who live in them to thrive.

Donate online at ymca-snoco.org/give to make your contribution. Using your debit or credit card, bank account, or our “bill me later” option, you can make a secure monthly or one-time donation. Contributions are also accepted at the Y via cash or check.

Double your donation. Many corporations match employee gifts as part of their philanthropic efforts. If you volunteer with us, your employer may also provide us with a grant as a way to recognize your ongoing support. Please inquire with your employer to make your contribution go even further to help make a difference in our community.

ALL TOGETHER STRONGER: A New Everett Family YMCA

The new Everett YMCA, opening fall 2019, will give seniors a place to gather and socialize, families the support and resources to come together to play and connect, and young people save spaces with positive mentors to help them reach their full potential.

It’s a place where neighbors can connect, learn, and be inspired by each other. A place where community happens.

In addition to supporting the Annual Campaign, this year you also have the opportunity to support the new Everett YMCA Capital Campaign. With your support, this new Everett YMCA will unite our community and transform lives.

YMCA OF SNOHOMISH COUNTY
US... IS EMPOWERING

While YMCA membership fees allow the Y to be a gathering place in our community, it is the YMCA Annual Campaign that gives us the power to make that community stronger. When you give to the YMCA's Annual Campaign you are supporting the varied programs the Y provides outside of our health and wellness activities.

YOU NURTURE KIDS. You give them summer day camp, youth sports, and before & after school care. They get safe places to learn, play, and thrive.

YOU SAVE LIVES. You give individuals swim lessons and health and wellness programs like Parkinson’s, Cancer Survivor, and Diabetes Prevention classes. People get support and opportunities to fight disease and live healthy.

YOU KEEP SENIORS YOUNG. You give older adults longevity and healthy aging. They get fitness programs that strengthen their bodies and activities that keep their minds sharp.

YOU HELP OTHERS. You give people with physical challenges moral support and specialized instruction. They get the tools to rebuild strength.

YOU SUPPORT FAMILIES. You give scholarships and financial support that make the Y possible. Every child gets a warm welcome and every individual can access programs for health and wellness. No one is ever turned away.
