

HOW TO ADD A BARCODE:

Members may add their membership barcode to the app and use their mobile device to check-in at the branch.

1. Open the app
2. Click on the image of a barcode in the top right corner.
3. Click "Add Barcode"
4. You can manually enter your barcode number or scan the barcode on your membership card with your mobile device. If you do not have a membership card, please check with Member Services and they can look up your number.
5. Click "Save" in the top right corner.
6. Your membership barcode is now saved in the app. When you visit the branch, you can click on the barcode image and open up your membership barcode to scan at the Welcome Center.
