YMCA SUMMER

Summer camp at the YMCA of Snohomish County is so much more than a fun summer for all! At YMCA camp kids grow, build skills, and gain self-confidence in a values-based environment. Our camps have much to offer kids from preschool to 9th grade. As always, the focus of our camps is to make a positive impact on your child: Relationships, Achievement, and Belonging are constant themes at camp.

RELATIONSHIPS
We inspire kids to work and play together, creating friendships that can last a lifetime.

ACHIEVEMENT
We provide kids with opportunities to try new experiences. Show them all they can do when they believe in themselves.

BELONGING
We make kids feel welcome, feel comfortable being themselves, and know they’re a part of something great.

SPECIAL NEEDS
Y staff members are trained to help children with mild to moderate diverse-abilities. However, our facilities are not adequately staffed to work with children who need significant assistance with personal care, constant one-to-one support, or have great difficulty managing their behavior in a group setting. If your child requires specialized accommodations, please contact your local YMCA family branch.

**HOW TO REGISTER**

It’s easier than ever to register for Summer Camp— even from your phone! To register online visit [ymca-snoco.org/camp](http://ymca-snoco.org/camp) or, to speak with someone about your camp registration, call 425 374 5779.

This year the Y updated our systems to make registration even easier. If Camp is your first program with the Y, or this is the first time you’ve used our upgraded system, you will need to create your Y account.

To get started, follow the prompts on this page: [https://ymca-snoco.org/account](https://ymca-snoco.org/account). (Note: programs will require you select a Y membership. To register for a program without joining the Y as a member, select the membership type: Non-Member).

Once you’ve set up your account, you’re ready to register! Use the smart search tool to find camps based on your camper’s age and interests, use the cart to register for multiple locations and weeks of camp, and complete the required waivers— all in one sitting.

Professional Role Models: YMCA camp staff are dedicated to providing a safe and wholesome environment for each camper. Camp staff are chosen for their maturity, strong values, enthusiasm, and ability to be positive role models for children.

Staff Training: Camp staff receive more than 40 hours in training prior to the start of camp. Training includes CPR, First Aid, child abuse prevention, emergency procedures, water safety, and updated COVID-19 protocols.

Face Checks: Camp staff perform face checks and take attendance numerous times throughout the day and at every transition.

Authorized pickups: Campers are only released to pre-authorized adults. Photo ID is required.

Group size: Group sizes will be limited, and we will follow current guidance regarding camp group ratios and maximum campers per site. Campers will remain in consistent groups throughout the camp week.

Handwashing: Campers and staff practice frequent handwashing with soap and water for at least 20 seconds. Campers will be required to wash their hands upon arriving to camp, before and after meals, and as often as possible throughout the day.

Cleaning: Enhanced cleaning protocols include the frequent sterilization of high-touch objects and surfaces.

Health Checks: Campers and staff complete a health screening upon arrival to camp each day.

COVID-19: We will follow the current Washington State Department of Health and Snohomish Health District COVID-19 camp guidelines.

REAL EXPERIENCES FROM HAPPY CAMPERS

“YMCA camp is extremely organized, communication with parents is above and beyond. Staff are all engaged with campers. Activities are thoughtful and intentional with weekly theme. Both of my kids are excited to come each day and feel that the counselors are helpful and nice.”

“Having a variety camp this summer was very helpful for my son to maintain some of his social skills and work with other kids. I think it has made a big difference in him and he will be much more prepared to enter Second Grade after a school year of partial isolation. This was a great camp experience for him.”
MINI CAMP AGES 3-6

GIVE THE GIFT OF CAMP

Provide an Unforgettable Experience for Youth at Camp

We are committed to providing the most rewarding, unforgettable experiences in a child’s life at YMCA summer camp. Camp provides children with a community of caring counselors who deliver experiences that foster respect for self and others, in addition to a healthy appreciation for life and nature. Campers develop social skills, build character, and face challenges in an environment that promotes a balance of independence and team work, all while building great friendships and lasting memories. Their experiences at camp prepare them for bigger, brighter lives down the road. With your support, we can provide a summer camp experience for all children that promotes the kind of social and emotional growth opportunities that campers will rely upon for years to come.

Donate today and make these opportunities possible through an annual camp scholarship or “CAMPERSHIP.”
